**Timing chips are placed on solo bibs.
Make sure you have your bib on you at the start and finish of the race.**

To reduce congestion at the Lighthouse please quickly grab a photo with finishing sign and return to presentation venue where we will feed and rehydrate you at Hotel Bruny outdoor area.

Other notes:

For the ongoing future of the event we must reduce the vehicle congestion at the lighthouse. A parking area 4km from the finish will be signed and marshalled for parking of vehicles that do not need to proceed to Lighthouse. Please carpool and utilise this area or park back from the lighthouse and keep a clearway for traffic flow.

All competitors and supporters are asked to check in whilst part of the event for contact tracing. We also asked that you observe all Covid-19 management practices applicable at the time of the event as required by Tas Health Department.

Runners choose their own start time. The earliest start time is 4:00am.

Runners/teams must calculate their approximate run time so that they do not finish before 11am (and no later than 2:30pm). There will be no timers at the finish before 11am so if you arrive earlier you will not receive an official time.
