Support vehicles drive ahead to changeover points not beside runners. Park as far off the road as possible. Please use hazard lights.

Baton does not need to be carried except at the start and finish to record their time.

Support crew: Support crews are not to travel alongside runners - they wait for their runners at the 2km changeover points.

Start time: Teams choose their own start time so as to finish at the lighthouse door between 11:00am and 2.30pm. Earliest start time is 4.00am. Maximum run time limit is 10.5 hours

Start protocol: Start times are staggered to ease road congestion and only one participant across start timing matt at a time to ensure accuracy. When registering a team you nominate a start time (if this changes— you do not need to notify organisers). Timing mat will sort overall time.

Notes: Participants can run in any order, may run back to back sections or multiples of 2km legs. Must only change at 2km change-over points marked with signage on the course. Markers are as close as safely practicable to 2km distances. Change-overs must only occur on right hand side of the road.

Aid stations: All participants are responsible for their own water throughout the event. Participants should bring water with them to the Island. It is the responsibility of all runners to ensure they have sufficient food and water.

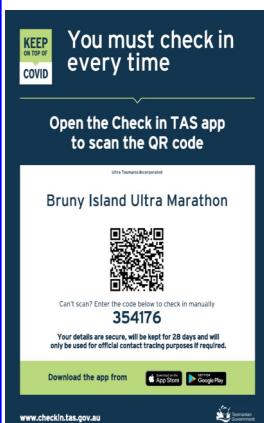

Drink stations with water and Gatorade will be at the 40 km changeover marker adjacent to Bruny Hotel, at the Lunawanna Hall 20km from the finish and at the finish.
